

HISTORY OF THE CLUB

The Mike Hatcher Junior Motorcycle Club (the family orientated club) is taking this opportunity to invite your organisation to be a valued sponsor of the Club.

After almost two years battling with Council the Club managed to secure a five year lease on the provision the Club adhere to the Government noise regulations. The Club secured a \$250,000 Government grant which gave the Club the opportunity to carry out the necessary works on the facility to become noise compliant. After almost twelve Months the acoustic earth wall is almost complete and will provide the facility the necessary acoustic earth mound required to operate

So now it's time to seek sponsorship for this soon to be very highly talked about Club. This Club has provided a safe, secure and fully supervised facility for many young riders in the past and will continue to do so for many years to come.

By sponsoring the Mike Hatcher Junior Motorcycle Club it gives a unique opportunity to be involved in a fantastic facility and forge a mutually benefiting relationship. Also let's not forget the kids they will have the a facility to improve their Motorbike skills also become more confident, building self-esteem making new friends and most importantly doing something they enjoy.

Photo: Gold Coast Bulletin

The sponsor would experience exposure of their brand over the how many years they choose to be involved. Let's not forget we get press coverage with the GC Bulletin and occasionally with Gold Coast News. So the decision is easy just fill out the form and feel great about supporting a great Junior Club.

The Mike Hatcher Race track was started back in 1983 by its founders Jim Pask, Jim Mc Farlane and Bo McFarlane. The track was originally located at the site of the Parkwood Golf Course on Napper Road and had a total of 12 members made up of Juniors and Seniors.

Mike Hatcher was a council lobbyist who obtained the original land for the club where they build a Motor-X Track and a Dirt Track. Soon after this the land was sold to the Bartlett Group of Companies, who then developed the Parkwood Golf Course. In 1985 Ivan Gibbs and Lester Hughers worked with council to obtain land for the current Mike Hatcher Park, which is now situated on Captain Cook Dv Labrador on the beautiful Gold Coast.

Back in 1985 the track consisted of a Dirt Track which wove in and out of the trees. Mike Hatcher's first race day consisted of 12 riders, an esky for a bar and a barbecue instead of a canteen. Council then built the club house and in 1987 the seniors approached council to use the complex. They then built their own club house above the juniors' club house.

The track, on its current site, was built by Gary Issel, Peter Neil, Bo McFarlane and Mike Hatcher. In 1986 the club held its first title event being the Junior Short Track title. In 1987 Hatcher's hosted its first Australia Title and since then it has hosted 6 more in 1989, 1992, 1996, 1999, 2003 and again in 2007. The club was affiliated with the Q.J.M.C.A from 1985 - 1993 and in 1994 was affiliated with M.A.Q which is now the controlling body for our sport.

In 1996 both the junior and senior clubs took part in the total reconstruction of a new track, starting gates, increased spectator viewing areas and a new put area with toilets and a first aid room. The funding for the reconstruction was raised by Tony West and we were also assisted by council and help from members in the labour side of the reconstruction.

This Club has produced some amazing results with many WORLD CHAMPIONS kicking off their career here at the Club, MICK DOOHAN, TROY BAYLISS, JASON CRUMP and even CASEY STONER.

This Club has provided a safe, secure and supervised facility for many young riders in the past and will continue to do so for many years to come.
