“ RIDE HARD  
HAVE FUN  
MAKE MEMORIES ”

- ♥ Anthony was a lifetime member of Mike Hatcher Junior Motorcycle Club and rode from the age of 4 as a peewee, all the way through to being a senior. Hatcher's was his home club and he represented the club at many events over the years.
- ♥ Sadly, Anthony was lost to a tragic accident at the state titles held at North Brisbane Motorcycle Club. Although he was doing what he loved when we lost him, it was way to soon for his young life to be cut short.
- ♥ Anthony loved his extended dirt track family and made lifelong friends. Most of you will understand that the dirt track community is a special place for the whole family, not just the rider. Anthony's dad Frank was President and Vice President of the Club for some years, and Anthony's mum Anita wore many different hats over the years including bar, canteen, scorer and assistant treasurer.
- ♥ Anthony is survived by his 3 brothers, Brent, Christopher and Justin, who also all rode from peewee. You will see them as Captains of the teams today along with Anthony's best friend Seth and our wonderful photographer Colin Stratford.
- ♥ Anthony always made time to support and encourage the young riders and they all loved him. He was always willing to step up and do jobs around the club on working bee days and running around on race days to assist.
- ♥ Anthony was a true character with a wicked sense of humour who wasn't afraid to embarrass himself for a good laugh or prank. Watching him grow into the wonderful young man he was, was a privilege I cherish.
- ♥ Let's wrap our arms around the whole Gordon family today, as they celebrate and remember the amazing young man he was. For those of you who knew Anthony, this is a time to reminisce and share your special memories of Anthony. Anthony may not be here today, but his fun-loving spirit will be shown in an awesome day of racing and shenanigans.

Rest In Peace Anthony

## CLUB DAY 4 – GRIDS

### **Please Note:**

It is the primary responsibility of the Rider, Parent, or Guardian to ensure they are competing in the correct Class, Heat, and Gate draw.

### **Key Responsibilities and Penalties**

Failure to follow these requirements typically leads to the rider being disqualified or not scored for that specific race.

**Class Verification:** Riders must ensure their machine and grading align with the entered category. Entering the wrong class without proper endorsement can lead to exclusion.

**Heat & Gate Draw:** It is the competitor's duty to be aware of their specific heat and grid position (gate draw) before each race.

**Junior Riders:** For competitors under 18, the Parent or Guardian shares legal responsibility for ensuring the rider is in the correct position and using the correct equipment, such as a charged and properly mounted transponder.

### **Race Day Compliance**

**Riders' Briefing:** Attendance is compulsory for all riders (and a parent/guardian for those under 18). Any rider who fails to attend may be fined or penalised at the discretion of the Steward.

**Grid Delays:** Creating an unnecessary delay on the grid because of being in the wrong position can result in being sent to the rear of the grid or receiving a time penalty.

**Official Discretion:** While officials can exercise judgment to ensure fair play, they generally enforce scoring penalties if a rider's presence in the wrong heat or gate draw disrupts the competition or provides an unfair advantage.
