TRACK & SAFETY INFORMATION

- No unauthorised access to start or track areas.
- First aid personnel are present throughout the event.
- Emergency procedures will be explained at riders briefing.

CLUB DAY 6 – GRIDS

Please Note:

It is the primary responsibility of the Rider, Parent, or Guardian to ensure they are competing in the correct Class, Heat, and Gate draw.

Key Responsibilities and Penalties

Failure to follow these requirements typically leads to the rider being disqualified or not scored for that specific race.

Class Verification: Riders must ensure their machine and grading align with the entered category. Entering the wrong class without proper endorsement can lead to exclusion.

Heat & Gate Draw: It is the competitor's duty to be aware of their specific heat and grid position (gate draw) before each race.

Junior Riders: For competitors under 18, the Parent or Guardian shares legal responsibility for ensuring the rider is in the correct position and using the correct equipment, such as a charged and properly mounted transponder.

Race Day Compliance

Riders' Briefing: Attendance is compulsory for all riders (and a parent/guardian for those under 18). Any rider who fails to attend may be fined or penalised at the discretion of the Steward.

Grid Delays: Creating an unnecessary delay on the grid because of being in the wrong position can result in being sent to the rear of the grid or receiving a time penalty.

Official Discretion: While officials can exercise judgment to ensure fair play, they generally enforce scoring penalties if a rider's presence in the wrong heat or gate draw disrupts the competition or provides an unfair advantage.
